Listen to your heart

Testo e musica: Per Gessle e Mats Persson
Roxette; Dht feat Edmee

Moderato, con sentimento

I know there's somethin' in the wake of your smile.

I get a notion from the look in your eyes, yeah.

You've built a love but that love falls a part.

Your little piece of
heaven turns to dark____ listen to your heart____ when he's
calling for you____ Listen to your heart____ there's nothing else you can do____ I don't
know where you're going____ and____ I don't know why____ but listen to your heart____ before,
you tell him good bye____

Lis-ten to your heart, lis-ten to your heart when he's there's nothing else you can do. I don't I
know where you're going and I don't know why but listen to your heart before, you tell him good bye.
Sometimes you wonder if this fight is worthwhile.

The precious moments are all lost in the tide, yeah. They're swept away and nothing is what it seems. The feeling of belonging to your dreams.

Listen to your heart when he's calling for you. Listen to your
there's nothing else you can do, I don't know where you're going and I don't know why but listen to your heart before you tell him goodbye.
And there are voices that want to be heard,
So much to mention but you can't find the words.
The scent of magic. The beauty that's been
when love was wilder
than the wind. Listen to your heart
when he's calling for you. Listen to your heart,
there's nothing else you can do.
I don't know where you're going and
I don't know why, but listen to your heart, before you tell him goodbye.

Listen to your heart, mm, mm, I don't know why, but listen to your heart, before.

Know where you're going and I don't know why, but listen to your heart, before.

you tell him goodbye.
