My Immortal
Evanescence

I'm so tired of being here
You used to captivate me
And if you have to leave
and it won't leave me alone.

I wish that you would just leave,
My once pleasant dreams,
I wish that you would just leave,
My once pleasant dreams,

These wounds won't seem to heal.

This pain is just too real.

suppressed by all my childish fear
But now I'm bound by the light you left behind
'cause your presence still lingers here
Your voice, it chased away

There's just too much the time cannot erase. When you cried I'd wipe away all of your tears. When you'd scream, I'd fight away all of your fears.

And you're still with me, I've been alone all a-long.

But you still have all of me._

I've tried so hard to tell myself that you're gone._

When you'd scream, I'd wipe away all of your tears. When you cried I'd be__

And I've held your hand through all of these years.

All of me__

1. All of me_
When you'd scream, I'd fight away all of your fears.

When you cried, I'd wipe away all of your tears.

And I've held your hand through all of these years.

But you still have all of me__
